## *Classroom Number Poster – One To Ten – Number Name And Numeral.*

To make the poster:

- Print the four pages of this document onto card. (Photocopy and enlarge to A3 if you require a larger poster.)
- Overlap and glue the pages one underneath the other in order from one to ten. Use guidelines to help position the page neatly.
- Trim the poster on the dotted line. Finished size approx. 21 cm x 65 cm (or larger if you used A3 paper).
- Laminate if desired.
